The Chicago Area Public Affairs Group

The Premier Network of
Public Affairs
Professionals

You are invited to join your fellow public affairs professionals

The Chicago Area Public Affairs Group (CAPAG)

welcomes all who are involved in the public affairs arena:

- Government affairs
- Community relations
- Politics
- Public policy

CAPAG is an informal, nonpartisan organization created in 1968 to provide opportunities for public affairs professionals to expand their contacts, to increase their expertise and to interact with their peers who represent corporate, non-profit, governmental and educational institutions.

Our regularly-scheduled events provide access to Chicago's and Illinois' political and civic leaders and insight into the political process and the challenge of governance.
